Think for yourself, act for others

Mrs C Broom – Assistant Head of School

04/10/2018

Dear Parents/Carers,

Year 11 Mock Exams

Year 11 mock exams will be on the following dates:

Week commencing 5 November and 12 November – English and Maths exams

Week commencing 26 November and 3 December – Mock exams in all other subjects

These exams play a very important role in preparing year 11 students for their real exams at the end of this academic year and should be treated that way by parents, teachers and students alike. Not only do they give students a good idea of what it will be like to take their GCSE exams, in a real exam setting, but it also gives the school a good idea about whether students are on target to achieve their predicted grades and where additional support may be required. The school will put provision in place for students whose results suggest they might need it.

We would like to invite you to a Year 11 exam preparation evening on **Thursday 11 October from 5-6pm**. The talk will be hosted by the Heads of Maths, English and Science and will cover information about what we do as a school to prepare students for their exams, as well as revision techniques and how you can support your son/daughter at home in the next few weeks. There will be a follow up session to this in February next year.

We look forward to welcoming you to the school next week.

Kind Regards

Mrs Broom
