Creating in-school progress at home:

Other parents have recommended the following:

- Test them on their knowledge for tests
- Encourage them to watch/listen to the news
- Encourage them to read or write for leisure
- Talk about what they've learnt that day
- Help them pack their bags for the next day
- Encourage them to get some fresh air, get lots of sleep and eat well—it all helps in school!

Can you get involved? Are you willing to accompany us on a day trip? Can you join our careers festival? Can you give a talk to our 6th form students? Do you have any ideas or thoughts to share with us? We would love to hear from you!!
