

Apprenticeship Website

Follow this step by step guide to help you search (You don't need an account to search)

Click on <https://www.gov.uk/apply-apprenticeship>

Click on search

There are two different approaches for you to search and it is recommend you try both ways each time you search.

1st Approach

Type in Keyword (you do not have to do this)

Type in your location (my recommendation is to type in Oxford (Oxfordshire) instead of your postcode.

Select how far you are willing to travel (I recommend 10 miles)

Select Apprenticeship Level (If you are not sure then just leave this at all levels)

Click on the **Green button to browse**

- Before you start looking scroll to the bottom of the page and where it has display page, click on the drop down and select 50 per page.
- Then scroll back to the top and where it has sort results, click on the drop down and select recently added.

Now start looking at any apprenticeships you are interested in.

Please make sure you look at Key information about each apprenticeship;

Distance:

Closing date:

Possible start date:
