Dear Students,

Careers Convention

We are organising a careers convention for you on **Tuesday 5 March 5.45-8.15pm**. This is destined to be a great event, which aims to give you a deeper understanding of certain careers, to help support you in the decisions you will be making in the coming years.

The evening will be split into two parts. The first half will be a series of panel sessions in which a group of three or four professionals will talk about their area of work and take questions from you. The second half will be in the Assembly Hall, with refreshments, where you can meet panellists more informally to find out about their working lives, as well as talk with other Higher Education Establishments.

There will be approximately 15 panels, which will include Medicine, Law, Science, Scientific Research, Media/TV/Journalism, Engineering, Apprenticeships, Charity Sector, Teaching, Business/Project Management, Government Services plus many more!

Before the evening, we will ask to you take a read through the panels on offer, and commit to attending two, with one reserve on a Google form. We will share these documents with you through Show my Homework, send them to your parents and your tutor will let you know when they are available.

This event is for *you* to come to. Whilst we hope you talk with your parent/carer about the evening, what panels you should go to, what you have learnt and how it has shaped your thoughts for your future, they are not invited on this occasion. There is a consent form below which we will need your parent/carer to sign to confirm they are happy for you to attend and will drop you off/collect you. Please fill it in and return it to your tutor by **27 February 2019**.

If you have any questions about the evening, please do not hesitate to come and see me Wednesday – Friday in my office, see the year 11 team or talk to the Communications Team whose office is next to the canteen.

Kind Regards

Mr Davis
