Geography Fieldwork 17 OR 18 June

Dear Parent and Carer

As part of the students' GCSE, students are required to complete two days of fieldwork. They need to collect fieldwork data, present and analyse their findings and reach conclusions. This year will take students for coastal fieldwork to Milford-on-Sea. Next year we will take them for a day's urban study.

The trip will take place on **17 and 18 June and your child will only be required on one day**. We will let students know which day their class will be attending. On return from the trip we will be analysing the data collected and writing up the results and findings.

The coach will leave at 8.00am from the Gypsy Lane entrance to school and we aim to return by 5.30pm. Students will need to bring a packed lunch, pen and pencil and a clipboard if possible. We will go whatever the weather so students should dress appropriately (non-uniform) and wear comfortable shoes.

We will be requesting a contribution of £20 to cover the cost of the coach, staff cover and insurance. This amount is non-refundable unless the trip is cancelled by the school. This is payable using the school parent pay system under the name "Milford on Sea". If you do not have Parentpay, but wish to set up an account, please email finance@cheney.oxon.sch.uk or contact Mrs Beesley in the School Shop. The trip is half price, £10, for students who receive the Pupil Premium (PP) as long as the attached reply slip is completed. If your child does not receive PP and paying for this trip will cause you financial hardship, please contact me. **This trip is an essential part of the course and students are expected to attend.** Please contact me as soon as possible if for some reason your child is unable to come.

Should you have any questions regarding this trip, please do not hesitate to contact me at jgl@cheney.oxon.sch.uk

Yours sincerely

Judy Gleen
