Dear Parents and Guardian

Languages in Key Stage Three

Since joining Cheney in September, your child has had the opportunity to study French, and will continue with it at least to the end of Year 8. In addition, students will start another language in Year 8. We expect that most students will study at least one language over the course of years 9, 10, 11 (to GCSE standard).

In preparation for second language choices in Year 8, please use the link below to express a preference for the language your child would most like to study from German, Spanish and Latin (in addition to French).

Please indicate your languages in order of preference with 1 being your favourite choice and 3 being your least favourite.

It is important that we create suitably sized teaching groups and for that reason reserve the right to allocate students accordingly if students' choices cannot be met.

There will be taster lessons in German, Latin and Spanish in the next few weeks, during French lessons.

Yours sincerely

Sophie Reynes (Head of Languages)
