4	SIP	10	RST comment - It looks like this table has still not been properly populated with definite targets for this year (c.f. the '95%' for Y7-11) and the termly values are just what was being filled in during 2018/19. By all means keep the 2018/19 data for comparison, but presumably the reference back to the 2017/18 figures should now have 2018/19 figures? KFO - met with Sixth form re: SIP. Feedback from KH/SW learning walks, book looks etc. taking place. KFO sense that start of year not being as tight as last year - Arbor, IT, Cards, JLO absence. Positives dress codes and role as ambassadors/project leaders. JKI - Q could not see detail in Assessment Feedback Map for Maths and other subjects - SPA because of setting and detail/change between classes. SPA to add links to appropriate SOW for Maths for each year group.	Action HNE to follow up

	<a href="#">Y11 data report</a>		Comments from RST and KFO in the document. 0.14+ P8 for Cheney 48.1 Attainment 8 Strong 7-9 Areas of concern PP 2 year downward trend Eng and Maths P8 overall +, but relatively weak in 4/5 borderline and cross over 14/10 - figures of outcomes of PP students in school, figures of PP students and how they engage with interventions, RJO - concern 2 years -ve German. SPA/RMR - subject teachers at GCSE and changes in teachers impact on outcomes RST - Science 4 years of positive outcomes for PP. Why? BPR access for students to access knowledge e.g. DNAs about retrieval, homework system ongoing Quizzes and students using Seneca Learning. Better organisation for staff and students. RST - Q how SLT monitoring KS3 interventions and impact. JGL linked to curriculum framework. LEL school review of Y7 transition completed by Bayards, LEL/JMO reviewing impact of maths and Eng interventions Y8/9, review of learner characteristics of PP students - add to agenda for December. SPA added nonPP data line into reporting for analysis JKI - RSC school improvement support 3 days funding for PP and attendance											
	<a href="#">Y13 data report</a>		14/10 CSU - how many U grades. 6 U grades from 6 separate students. Sociology 2 U grades Sociology was an entry level A-level, but Y13 2018/19 last year group of this cohort. New HOF Hums a Sociology expert. RJO - results look very promising 10 subjects achieving above FFT20 Y12 now 120 - 5 externals Discussion about Sixth form vision, numbers and outreach to Y10s/11s and externals											How many Y11 students did not sit GCSE exams? KFO  More info on Sociology students please. What did they achieve in their other subjects? KFO
