### Mr L Bampton, Assistant Head Teacher

17 July 2020

Dear Parents and Carers

#### Equipment and uniform

I hope that you and your child are looking forward to the Summer Holiday and then return in September.

For a general reminder of our uniform guidelines, please see our [website](#), which includes links that show you where to buy uniform and a price list.

In addition to uniform, we expect students to have the following essential equipment to aid learning every day at Cheney. We will be completing regular equipment checks to ensure that students are fully equipped for the school day. This is even more important than usual because the safety guidelines mean that sharing and lending equipment is not recommended.

Please make sure you have the following equipment in September:

- 2 biros and 2 pencils
- a sharpener and an eraser
- a 30cm ruler
- 12 colouring pencils and 4 highlighters
- a scientific calculator
- a pair of compasses and a protractor
- a small glue stick and scissors (these are new to our equipment list because we may not lend as much equipment as we have done in the past)

Thanks for your support with this and if you have any questions, queries or concerns, please contact your child's Year Team.

Kind Regards

Mr L Bampton
