

Saima Hussain, Assistant Head

15 July 2020

Dear Year 10 Students, Parents and Carers

Year 10 Results Day Information

This year has been particularly complicated and challenging for Year 10 and they have responded very well during this last term; especially through the wider opening of the school. We know that there is still some anxiety and uncertainty around the results day for our students, however we hope that our students will get the outcomes they want this summer.

We do not yet know what the social distancing arrangements will be in mid-August, and as a result our plans for results day are based on the current social distancing measures. Year 10s will therefore not be coming into school to collect their results on Thursday 20 August. The students will instead receive their exam results via email using their school email account. It is advised that all students check that they can access their Cheney email account. Should you have any issues with your school email address please email exams@cheney.oxon.sch.uk for support.

There will be support available for all students in August. Should you wish to speak to a member of staff please do not hesitate to contact the pastoral team by email (ar@cheney.oxon.sch.uk / pod@cheney.oxon.sch.uk) and we will be happy to forward your query to the right person.

Appeals and Autumn Exams

This year has been unprecedented in the way grades are awarded. There will not be a normal review of results procedure this summer. Should you have any concerns about your grades, please speak to a member of staff and we will support you in your next steps. All students, should they not be happy with their grades, will have the opportunity to sit formal GCSE exams in Autumn 2020 in the subjects they received grades for. More information on how to enter for these exams and timetables will be issued in August on results day.

Please do take care of yourselves as results approach. Should you have any questions, please do not hesitate to contact the pastoral team. We hope you all have a wonderful break and look forward to seeing you all in September 2020.

With best wishes,

Yours sincerely,

Saima Hussain
Assistant Headteacher
