Mrs E Hart – Head of PE

16 September 2020

Dear Parents and Carers

PE Kits

I am writing to confirm the kit requirements for Physical Education lessons. On the days that your son/daughter has PE they should come to school in their PE kit. This is the advice that we have taken from the Association of Physical Education in order to maintain year group bubbles. Unfortunately, we do not have enough changing facilities to accommodate changing as we have multiple PE groups timetabled at the same time. Whilst we appreciate the importance of health and hygiene, maintaining the integrity of the year group bubbles is vital. We will continue to review the advice from the Association for Physical Education and will communicate any changes as they are announced.

It is important students only wear the items listed below and not their own casual weekend sports clothes.

Cheney School's PE kit is:

- Black/navy blue and dark grey tracksuit bottoms/ shorts of sports leggings.
- Red t- shirt (school logo or plain)
- PE sweatshirt (available from Stevensons via the [school website](#)) or alternatively a plain black/navy or dark grey sweatshirt with no hood.
- Trainers

Currently we are not participating in any contact sports and again, as a department, we will advise on personal protective equipment such as shin pads, mouth guards and football boots when this is required.

The only recent change to the PE policy is that as of Monday we are asking students to wear their blazers over their PE kit in order to retain our community identity, and so that for safeguarding reasons students are easily recognised as Cheney school pupils. Once they are in their PE lessons then they will be able to remove their blazers and coats.

If you have any further questions please do not hesitate to contact either [myself](#) or Mr Evans. jev@cheney.oxon.sch.uk

Kind regards
Emma Hart
Head of PE
