Dear Parents and Carers

Due to staff shortages, we have to institute a partial school closure on Tuesday 8 and Wednesday 9 December. Year 8 and Year 9 will be working from home, and should follow their normal timetable, logging on via the appropriate Google Classroom. 8*, School Within a School and Cheney Plus will operate as normal. A skeleton school will run in person for students who have connectivity difficulties, or for parents who will have childcare issues.

Kind regards
