Mr Rob Pavey – Headteacher

01 December 2020

Dear Parents and Carers

Sanctions for not wearing masks

Now that we are back in specialist teaching rooms, it is necessary to give detentions for students who are not wearing masks in buildings. This will be a half hour detention, sat on the same day. The huge majority of students are now complying without needing to be reminded, and I am grateful for the efforts at home to reinforce the message. Masks are also on sale in the canteen at break and lunch for any student who has forgotten or lost their mask.

A small number of students are exempt from wearing masks. This will be managed primarily by the SEND department, who are aware of which students are likely to need an exemption. We are buying some green lanyards with sunflowers on them (which is becoming a widely recognised symbol) to identify students who are exempt. We will also have a number of the ID badges, as shown below, which may also be helpful on public transport.

If you believe that your son or daughter should have an exemption, and we do not currently have them on our list, please get in touch with your year team, or the SEND department.

Kind regards

Rob Pavey, Headteacher
