Dear Parents and Carers

Free School Meal Vouchers over Half Term

Following guidance from the government, Free School meal vouchers will be continued over the half term holiday.

Recently, the school have been using the DfE voucher provider Edenred, but this is not available during this week. For half term week only, we will instead be using Wonde, the same site that we used over the Christmas holidays. If you are entitled, vouchers will be sent both by email and by phone to help you receive this funding, but you will only be able to redeem the value once.

Funding will be provided at a rate of £15 for the week. You will receive an email/text from Wonde to say you have been issued with a voucher on Tuesday 16 February. Once received, please follow these step-by-step instructions:

- Click to redeem voucher
- You will be taken to a page where you will need to enter either your email address or your phone number, then press 'continue'
- You will be asked to create an account and give some more contact details. Please ensure you tick the box to agree to the terms and conditions, before pressing 'save and continue'
- You will then be asked to check your inbox to confirm your email address
- Once you have receive the email, press the 'confirm email address' box
- You can now select which supermarket you would like your vouchers from:
 - Asda (may take up to 12 hours to be received once selected)
 - Aldi
 - Iceland

- Morrisons (may take up to 12 hours to be received once selected)
 - Sainsbury's
 - Tesco
 - McColl's
 - Waitrose
-
- Select your choice and click 'confirm'
 - Once confirmed, make a note of the PIN and press 'view voucher'
 - Your PIN may be needed to access the voucher – this depends on the retailer
 - Press 'Go to Digital Gift Card'.
 - You should now be able to access your voucher and spend it.

Please note: some retailers restrict the items that you are able to purchase using these vouchers, and will not allow the purchase of alcohol or cigarettes.

Kind regards

Saima Hussain
