

Dr Lorna Robinson

1 April 2021

Dear Year Seven Students (and Parents/Carers),

The Rumble Museum is running a series of breakfast talks during Tutor Time on Fridays next term exploring a range of "What If" questions. The talks are delivered by experts in their field, and will involve a short talk plus questions.

The talks will take place in the Classics Centre (L14 on the ground floor in Lane Block). We ask that students arrive by 8.20am at the latest so the talks can all start on time. We will register you so there is no need to go to your tutor - you should come straight to the Breakfast Talk at 8.20am.

Please use the Google Form below to select which talk you would like to attend. You can select multiple talks, but if we are very over-subscribed, we will ensure that everyone can attend at least one talk. If you have a place on a talk we will send you an email to let you know a week before each talk.

<https://forms.gle/K6kiT2xWadScCr3y7>

We look forward to seeing you at these talks next term. Please come and find me or email me if you have any questions: lro@cheney.oxon.sch.uk.

Enjoy your break!

all best wishes,

Dr Lorna Robinson
