Cheney Friends - Invitation to Wednesday 10 November: Cheney is an incredibly diverse comprehensive school. Among our families over 70 different languages are spoken. After English the most common are Arabic (62 students), Bengali (48), Urdu (47), Punjabi (46), Malayalam (34), Portuguese (33), Polish (27), Albanian (26), Spanish (23), Italian (21), Tagalog/Filipino (19) and Pashto (18). We are proud of our diversity and the way our students interact with each other.

We would like to give Cheney parents a glimpse of what daily life is like during the day in our diverse city school. You are invited to come to Cheney on Wednesday 10 November for a short presentation on what diversity and inclusion look like in the school. Doors open at 6:30 pm and the presentation will run from 7:00 pm to 7:30 pm. The presentation will be made by Rob Bown (languages teacher) and Rob Pavey (Headteacher). There will also be a sale of second-hand uniform throughout the evening. More details on prices to follow.

The presentation will be followed by a thirty-minute meeting of Cheney Friends (the Cheney parent-teacher association). All are welcome to stay for this. We are keen to recruit members from all our different Cheney communities.

Community

Your voice, your views on county council priorities: we are a bit late sharing this link, but the County Council is looking for 14-17 yr olds to talk to them about their priorities for the community in the coming year. Although the initial dates have passed, young people are still invited to complete the form to have their say:

Oxford Mutual Aid: our friends at Oxford Mutual Aid are in urgent need of sharpies and whiteboard pens. They don't have to be new, so if you have any spare, please drop off at Richard Benson Hall, Cowley Road. Find out more about the work of OMA, if need support, or if you can offer help: <https://oxfordmutualaid.org/>

Hill End Adult Bushcraft: relaxed and fun bushcraft sessions for enthusiastic beginners to develop the skills and confidence to go out and enjoy themselves safely and responsibly in nature. The next 4-week session starts on Saturday 6 November: <https://hill-end.org/activities/cpd/>

Leys CDI half term activities: there are some really exciting activities at Leys Community Development Initiative this October half term - including a session on African and Caribbean folklore with our friend, Natty Mark Samuels. See the attached poster for details.
