### Parent App

The MyChildAtSchool Parent App for schools provides real-time pupil information, showing attendance, behaviour, assessments, timetables, homework, clubs, trips, parents' evenings and much more.

### Student App

Students can view homework assignments, check their lesson timetable, exams and behaviour history in real-time via our interactive school App for iOS and Android.

### Teacher App

Teachers can take registers, record behaviour, send messages, manage parents' evenings, make class observations, check their live timetable and much more!

Each App will ask users to set a pin for login

Parents will be sent an invitation code towards the end of next week to get them up and running on MCAS

## How Parents redeem their Credentials – Web Version

To begin, Parents will need to go to the following web address – <https://www.mychildatschool.com/MCAS/MCSParentLogin>

**Important Note:** This will take Parents to the MCAS Homepage showing a log in screen as seen below.

Parents who are **new to MCAS MUST ONLY** press **REDEEM INVITATION CODE**, **nothing else**.

*MCAS Log in Screen*

Pressing **Redeem Invitation Code** redirect Parents to a very similar looking screen, but the web address will have changed to – <https://www.mychildatschool.com/MCAS/MCSRedeemInvitationCode>

**Note:** This web address can also be sent to Parents manually to assist them with redeeming their credentials.

Redeem Code

*Redeem Code*

Pressing **Redeem Code** will mean the log in details have now been created and the Invitation Code has served its purpose and is now redundant.

Now that the **Invitation Code** and **Username** have been redeemed, the screen will update and the Parent must now enter a **VALID** Email Address and then **CREATE** a **Password** which they will use to log in once this step is completed.

**Note:** The Email is only used for recovery purposes, it is **NOT** used to log in to MCAS.

*Enter Email and Create Password*

When creating a Password, it must contain all of the following;

*Password Criteria*

A weak example would be Password1\$

A stronger example would be PaS5W0rd\_\$\$

Once an **Email** and strong **Password** are entered, press **Save Account Details**.

Save Account Details

*Save Account Details*

Pressing **Save Account Details** will register the Email and Password against the account, the screen will then update to say they were successful.

Finally, Parents will then be redirected to the original log in screen – <https://www.mychildatschool.com/MCAS/MCSParentLogin>

Parents can now enter the **School ID**, their **Username** and their **Password** before pressing Login.

Again, Parents **MUST** enter the School ID, their **Username** (received in Invitation Code Email) and their **Password** (created during the previous step) to log in to MCAS, nothing else.

## How Parents Redeem their Credentials – App Version

For Parents who prefer to use their Phones or have limited/no Computer access, they also have the ability to redeem their **Invitation Code** via the MCAS App.

To do this, Parents will need to download the MCAS App from the App Store (Apple) or Play Store (Android).

*MCAS App on the App Store (Apple)*

Once the App is launched, Parents can choose to log in with **Username and Password** or **Magic Link**. (**Magic Link** will be covered in more detail further in this guide, for this section we will use **Username and Password**).

< Select Login Type

Login with...

Username and Password

Magic Link

---

*MCAS App Launch Screen*

Pressing **Username** and **Password** will provide Parents will the screen shown below.

At this point, they **MUST** press **Redeem Invitation Code** at the bottom of the screen.

[Redeem Invitation Code?](#)

Add

### *Redeem Invitation Code via App*

Once they press **Redeem Invitation Code**, the screen will update and Parents will be asked to provide the **School ID** as well as their **Username** and **Password**.

So in the same way as they would on the Web Version, they enter the **School ID, Username and Password** before pressing **Redeem Code**.

< Redeem Your Invitation Code

Redeem Code

---

*Redeem Code via App*

Once they press **Redeem Code**, they will be redirected to the next screen where they must enter a VALID Email Address and CREATE a **Password**.

When creating a Password, it must contain all of the following;

— Password must have  
8 or more characters  
1 uppercase character  
1 numeric character  
1 special character  
1 lowercase character

### *Password Criteria*

Once an Email Address and **Password** are both entered, press **Save Account Details**.

Save Account Details

---

### *Save Account Details via App*

Once this step has been completed and the account details are saved, Parents will receive a success message and be logged in to the App where they can now Navigate as they wish.

*Account setup successful*

Parents can now Navigate the App using the **side Menu** and selecting a **Module**.

**Note:** If the **side Menu** is not visible, it may be hidden and can be expanded by using the three horizontal red lines highlighted below'
