Think for yourself; act for others

2nd March 2022

Dear Parents/Carers

Congratulations, we are delighted that you have selected Cheney School and we look forward to welcoming you and your family into our school community.

We hope that you find the [year 6 transition page on our website](#) useful and want to provide you with some key information that will help make this transition between primary and secondary school as smooth as possible.

During the coming months, as we prepare to welcome your child into our school, we will visit them at their primary school and will hold discussions with their teachers. They will have two days transition days at Cheney School where they will sample a few of their core subjects, meet some staff and begin to familiarise themselves with the site.

On the evening of Thursday 31st March we will hold a welcome meeting at Cheney. During this event you will be able to find out more specific plans regarding the transition process and meet the Headteacher, Head of Student Progress and Transition lead. The details of the meeting and timings can be found below-

Feeder school	Time

Please note that we have very limited parking on site, please take alternative forms of transport if you can.

If at any point in the future, circumstances change and you decide you do not want to take up your allocated place at Cheney School please could I ask that you contact Admissions at Oxfordshire County Council, as soon as possible.

Over the coming months I will continue to be in regular contact with you and will be issuing various forms regarding admission, health and uniform/equipment lists. We will use the dedicated page on our website to ensure letters, key information and useful emails are all up to date.

You can keep up to date with [Cheney News on our website](#) and by following us on our social media accounts on [Facebook](#), [Twitter](#) and [Instagram](#).

It is our ambition to run a summer school. Currently there has been no government announcements about funding for this and we are considering if it will be possible.

If you have any questions at all, do not hesitate to contact me.

Kind Regards

Emma Hart
Head of Transition
