

If you are an Early Careers Teacher keen to work in a busy city school, we'd love to speak to you.

Working at Cheney

Cheney School is a vibrant, exciting place to work and is centrally located in the city of Oxford. We were rated as "Good" by Ofsted in 2018 and have a very diverse student population, meaning no day is ever boring! We send students to Oxbridge and Russell Group universities every year and also welcome students with a range of language and learning support needs: you could be teaching a wide range of students each day – which is part of the appeal for many staff.

The school offers staff a number of benefits including:

- Successful ECT induction year plan with high rates of retention and great career development opportunities
- Strong emphasis on CPD with regular whole school and tailored CPD sessions
- Supportive and friendly staff
- Staff "tea" every Friday!
- On-site parking
- Dedicated Science and Maths block
- Hosts of the on-site Rumble Museum and Iris Classics Centre
- Cycle scheme and Health support scheme
- On-site Gym
- Canteen on site
- Situated next to South Park which has exercise circuits, a children's playground and a lovely view! It also hosts festivals throughout the year and an annual firework display.
- Cheney is located next to Oxford Brookes University which has a gym, climbing wall and sports clubs, dentists and osteopath.
- Quick and easy access to Headington, East Oxford/Cowley Road and the City Centre
